

**top-quark physics: status and prospects - arxiv** - top-quark physics: status and prospects ulrich husemann institut fur experimentelle kernphysik karlsruhe institute of technology, germany abstract  
**top-quark physics at the large hadron collider** - topical review top-quark physics at the large hadron collider markus cristinziani<sup>1,3</sup> and martijn mulders<sup>2</sup> 1 physikalisches institut, universitat bonn, germany  
**top quark physics at the lhc - arxiv** - 1. introduction the top quark, the heaviest known fundamental particle, was discovered thirteen years ago [1,2] at the tevatron proton antiproton collider.  
**top quark physics in atlas - proceeding of science** - pos(corfu2015)045 top quark physics in atlas krzysztof sliwa outside, a silicon pixel detector, a silicon microstrip detector and a straw-tube tracker that also pro-  
**top-quark physics - zhejiang university** - 23 oct 2003 16:20 ar ar199-ns53-09.tex ar199-ns53-09m latex2e(2002/01/18) p1: ikh top-quark physics 303 elementary particle known. the top quark, w, and higgs ...  
**top quark physics with cms - university of mississippi** - top quark physics precise standard model measurements of the heaviest known elementary particle constraint on higgs mass  
**top quark physics at the lhc: a review of the first two years** - june 25, 2012 11:00 wpc/guidelines-ijmpa s0217751x12300165 top quark physics at the lhc: a review of the first two years 8.2. fnc in top quark decays and production ...  
**top quark physics at lhc - cds.cern** - rencontres de moriond 2008 top quark physics at lhc m. vander donckt, on behalf of ci1s and atlas collaborations cern, 1211 geni:ve 23, switzerland  
**the top quark - particle data group** - physics for more information). its phenomenology is driven by its large mass. being heavier than a w boson, ... top-quark decays, extra qcd radiation ...  
**top quark physics: on its mass mostly - max planck society** - andreas h. hoang university of vienna young physicists workshop @ ringberg, july 6 - 10, 2015 top quark physics: on its mass mostly  
**top quark physics - mafijaf.uni-lj** - oddelek za fiziko top quark physics seminar author: tina filloj mentor: prof. dr. svjetlana fajfer ljubljana, february 2012 abstract top quark physics is a very ...  
**top quark physics at the tevatron - fermilab** - top quark physics at the tevatron a.w. jung fermilab, particle physics division, kirk rd & pine st, batavia, 60510, il, usa preprint: fermilab-conf-15-208-ppd  
**top quark physics at the lhc - cdsweb.cern** - lc11 proceedings frascati physics series - vol. li 4 mass the mass of the top quark has been measured by both the experiments using various techniques.  
**top quark physics at linear colliders - possa** - pos(eps-hep2015)316 top@lc roman p 1. introduction with the discovery of the higgs boson with a mass of  $m_h \approx 125$  gev by the lhc the standard model of particle ...  
**the top quark a. introduction q t b** - physics for more information). its phenomenology is driven by ... the top quark is expected to decay before top-avored hadrons or tt-quarkonium-bound states can  
**single top quark physics - www-d0.fnal** - reinhard schwienhorst single top quark physics aps april meeting, dpf session top is ten, 4/23/2006 tttt www michigan state university  
**top quark physics in ep collisions - indico.cern** - top quark physics - christian schwanenberger - dis 2015 christian schwanenberger deutsches elektronensynchrotron (desy) dis 2015 xxiii. international workshop on deep-  
**top quark physics - uc davis physics** - top quark physics robin d. erbacher dept. of physics, univ. of california at davis, one shields ave, davis, ca 95616, usa abstract. while the top quark was discovered ...  
**precision top quark physics at a future linear e e ...** - fcc-ee workshop, pisa, feb 2015 marcel vos (marcel.vos@ific.uv) 1 precision top quark physics at a future linear e+e-collider; mass & top ew  
**top quark physics: future measurements - slacanford** - 761 for secondary-vertex b-tagging and improved lepton-id in the region 1 top quark physics in atlas - physics.ntua - krzysztof sliwa ! tufts university!!!! summer school and workshop on the standard model and beyond! eisa, corfu, greece, september 1-11, 2015!! top quark physics" top quark physics at the lhc - researchgate - top quark physics at the lhc tae jeong kima for the cms collaboration 1korea university, seoul abstract. in 2011, an integrated luminosity of more than  $5 \text{ fb}^{-1}$  at  $\sqrt{s} = 7$  ... uva-dare (digital academic repository) first top quark ... - first top quark physics with atlas : a prospect general rights ... van de doorsnede van bosonen top quark paren.het signaal waargenomen met de atlas top quark physics with the cms

detector at the lhc - top quark physics with the cms detector at the lhc andrea giammanco centre for cosmology, particle physics and phenomenology ucl, louvain-la-neuve, belgium top quark precision physics at linear colliders - top quark precision physics at linear colliders frank simon1, on behalf of the ilc physics and detector study and the clicdp collaboration 1 max-planck-institut fur ... top quark physics with cdf - home - springer - top quark physics with cdf wolfgang wagner \* institut fur experimentelle kernphysik, universitiit karlsruhe, wolfgang-gaede-str.1, d-76131 karlsruhe, germany top quark physics results from atlas - top quark physics results from atlas hep-mad 11 26-8-2011 ido mussche (nikhef-atlas) || hep-mad (antanarivo) 1 ido mussche nikhef (amsterdam) on behalf of the atlas ... top quark physics at atlas and cms - ntua - top quark physics at atlas and cms carmen diez pardos for the atlas and cms collaborations desy corfu2017: workshop on the standard model and beyond, top quark physics from tevatron to lhc - link.springer - top quark physics from tevatron to lhc v. simon1, akhmetov2 faculty of nuclear sciences and physical engineering, ctu institute of physics ascr, prague top quark physics: results from the cms experiment - top quark physics: results from the cms experiment jan steggemann! on behalf of the cms collaboration! panic! 28 july 2011! top quark physics at the tevatron - www.thpg - top quark physics at the tevatron ringberg phenomenology workshop on perspectives in heavy flavor physics, october 1-6, 2006, ringberg castle, rottach-egern, germany status and prospects of top-quark physics - arxiv:0904.2499v1 [hep-ex] 16 apr 2009 status and prospects of top-quark physics joseph r. incandela4, arnulf quadt1, wolfgang wagner2,5, daniel wicke3,5 progress in top quark physics - physics.upenn - progress in top quark physics evelyn j thomson university of pennsylvania xvii particles and nuclei international conference plenary session 28 october 2005 perspectives on top quark physics - indico.fnal - perspectives on top quark physics john campbell! fermilab, april 10 top at twenty t the top quark (20 years after its ... - institute of physics - abstract paper, written to mark the twentieth anniversary of the discovery of the top quark, offers some insight into how ... review of top quark physics: theory - fermilab - 23rd rencontres de blois - may/june 2011 fabio maltoni review of top quark physics: theory fabio maltoni center for cosmology, particle physics and phenomenology (cp3) progress in top quark physics - citeseerx - progress in top quark physics evelyn j. thomson department of physics and astronomy, university of pennsylvania, david rittenhouse laboratory, 209 south 33rd street ... top quark physics - institute for research in ... - precision era of top quark physics at the lhc fourth generation top quarks? jorgen d'hondt > vrije universiteit brussel \$ 40. inclusive vector like top quarks? top quark physics at d0 - ncu - leonard christofek 1 3rd international conference on flavor physics october 3-8, 2005 top quark physics at d0 leonard christofek university of kansas top quark physics, luminosity spectrum and the beam energy ... - top quark physics, luminosity spectrum and the beam energy spectrometer at the international linear collider 1st year report filimon gournaris supervisors: top-quark physics results from cms - desy library - top-quark physics results from cms jeremy andrea for the cms collaboration institut pluridisciplinaire hubert curien, france doi: <http://dx.doi.org/10.3204/desy-proc> ... top quark precision physics at linear colliders - desy - top quark precision physics at linear colliders frank simon 1 on behalf of the ilc physics and detector study and the clicdp collaboration 1 max-planck-institut fur ... top quark physics at the tevatron - citeseerx - arxiv:0905.2922v1 [hep-ex] 18 may 2009 top quark physics at the tevatron cecilia e. gerber - university of illinois at chicago 845 w taylor st. m/c 273, chicago, il ... top quark physics at d0 - the dzero experiment - ken johns hcp2002 top quark physics at d0 kenneth johns university of arizona for the d0 collaboration top quark physics within and beyond the sm - agenda fn - top quark physics within and beyond the sm rikkert frederix university of zurich xxv rencontres de physique de la vall e aoste, la thuile, italy, february 27 ... the top quark, 20 years after its discovery - bottom quark could be the predominant mode of top-quark production. the ua1 experiment at cern reported some indication of that process in 1984, constraining the standard model effective field theory with ... - physics that have a small contribution at low energies, ... contributions of the operator to single top quark production processes are top quark physics - uni-bonn - top quark physics daniel wicke (bergische universitat wuppertal) outline introduction top quark tevatron production mechanisms decay properties
